***Re: Proposed Oil and Gas Lease***

Dear Landowner:

On December 10, 2019, Chevron announced the decision to initiate the process of marketing for sale all assets located within the Appalachian Basin. The proposed divestment is intended to include all oil and gas leases, wells and production in Pennsylvania, West Virginia and Ohio.

Considering this decision, Chevron has elected to not pay the bonus for the oil and gas lease you signed which, absent such payment, becomes null and void on its own terms under Section 2.2 of the lease. In order to protect your privacy, Chevron will be shredding your W-9 provided at the time of signing.

For additional questions, please contact the Chevron Appalachia Owner Relations Hotline at 866-212-1212 and [landadmin@chevron.com](mailto:landadmin@chevron.com) or the Chevron Appalachia Community Hotline at 877-847-8408.

Thank you for your interest in leasing with Chevron.

Sincerely,

A handwritten signature in black ink, appearing to read "David Stockman".
